

# GRTC'S MAIN GOALS

## ACCESSIBILITY

Expand the reach, visibility, and accessibility of the center, locally and globally

## BECOME A NATIONAL LEADER IN THE GLYCOSCIENCE OF WOMEN'S HEALTH

Incorporate women's health within GRTC through research, education and outreach

## DIVERSITY, EQUITY, AND INCLUSION

Diversify the center and promote DEI initiatives through the community and increasing diversity within GRTC Faculty, staff and trainees

## EXPAND AND DEMOCRATIZE GLYCOSCIENCE

Recruit stakeholders with new expertise; acquire and enable new instrumentation and technology through glycan analysis

## PARTNERSHIP

Increase communication and education with campus partners to develop cross functional glycan projects within the center
