### REGISTRATION

Please register for meeting [here](#).

## SPONSORSHIP LEVELS AND GUIDELINES

BENEFITS	\$1,500
Symposium attendance includes meals and access to presentations (up to 2 people)	✓
Company logo included on poster next to registration table in foyer area	✓
Listing by sponsorship level on San Diego Glycobiology Symposium website	✓
Company logo in conference program	✓
Company logo displayed on lobby tv screen	✓
Networking Session Friday afternoon	✓
Dinner on Friday evening (up to 2 people)	✓
Brief product introduction during meeting (5 min)	✓
Exhibit space (table, two chairs) - <b>ADDITIONAL \$500 for total of \$2000</b>	

## Exhibit Space and Labor

The venue will provide a 5' foot exhibit table and 2 chairs. There will be no labor to assist you with the installation or dismantling of your exhibit. Tablecloth can be provided if you do not have your own.

## Payment

**Sponsorship payment must be received by April 1, 2025**, for your company logo to be placed on the SDGS website or any marketing material and must be received prior to symposium to attend event. Payment by check (*made out to UC Regents*) or wire transfer is accepted. Due to the nature of the event, no refunds can be offered. Please contact Tracy Gilstrap at [sdgs@ucsd.edu](mailto:sdgs@ucsd.edu) for payment questions.

## About the Glycobiology Research and Training Center

The Glycobiology Research and Training Center (GRTC) brings together faculty interested in glycans from a wide range of research areas. The Center is crossing the typical boundaries between departments at UC San Diego. The Core GRTC faculty actively manage research laboratories where graduate students and postdoctoral scholars explore glycoscience research. While the headquarters and leadership of the GRTC are at UC San Diego, GRTC members include faculty from academic institutions throughout California, with a vast range of research interests, creating an unparalleled network of expertise and collaboration in the field.
